Lions of BC Hearing Conservation Society Committee Report
By: PCC Surinder Gahir

Council Chair John, fellow cabinet members, Lions, Lioness, Leos and guests greetings.

Lions of BC Hearing Conservation Society is working very hard to provide a one of a kind service to our communities; making it easier to communicate with one another, making life a little better for those who cannot afford hearing aids.

This past year we have provided one hundred and twenty two (122) hearing aids to deserving clients. We have made some changes to the delivery model this year and the Hearing society is even more committed to providing better service to our communities. The society spent Over \$92,000 to provide this service.

We get used hearing aids from all our Canadian Lions clubs have collected over two thousand (2000) hearing aids. All the hearing aids and the electronic equipment is sorted and sent to the Island Deaf & Hard of Hearing Centre. We have a very special relationship with them.

We have a great awards program also, we have the Meade Sutherland Fellowship Award for \$500 and the Society Fellowship Award for \$50. Lions clubs can order these for deserving Lions or deserving person.

My friends we remain deeply grateful for all your help. For information please send me an email at governor.gahir@gmail.com

I want to thank all the Lions clubs members, District Governors, Zone Chairpersons and the Hearing Chairs for supporting and promoting this great organization.

Respectfully submitted.
