

CARE REPORT

PDG ERMA KEMP'S PART

As the CARE Chairperson for the last three years, I want to say a big "Thanks" You" for your support. It has been a privilege to represent you in this position. I want to say a big to Lion Patty Easterling for stepping up as your CARE representative for this coming year and to PDG Steve Patterson for coming on board.

With all that has happened, our giving is down but am hopeful you'll all dig deep to support the program in the coming years.

Have a good summer and Hopefully we'll see you in fall.
PDG Erma A. Kemp
