

## **Constitution and Bylaws Report**

Report by: PCC Larrie Taylor, Chairperson

Date Report Sent: May 1, 2018

There have been no proposed amendments submitted since the last Council meeting, therefore, the only required changes to be presented at the MD Convention are those accepted at the February Council meeting.

CC Jon Whitman and VCC John Kirry have struck a committee to merge the MD19 Policy Manual Committee and C&BL Committee. The ad hoc committee is also to review each of our documents to identify redundancies and overlaps. The initial meeting of this committee will be held in conjunction with the May Council meeting.

Thank you for your cooperation.
