Report from MD19 Election Chairperson for October 16th Council Meeting

Dear Council Chairperson John and fellow Lions Leaders:

This is a new experience for me to serve on MD19 level. According to CC John, my duty is as follows:

1. Looking at ways to amalgamate the voting process across the districts and report more as I progress.
2. Research and confirm all the election rules of the 9 Districts and MD19

The following 5 Districts have their District Convention dates posted on MD19 website except District 19B, E, G, and I:

March 11-12, 2022 19H

March 18-19, 2022 19F

April 8-9, 2022 19C

April 15-16, 2022 19A

April 22-23, 2022 19D

I will approach each District and do my research accordingly.

I noticed that on June 2021 Council Meeting Minutes there was a thorough District Election Procedure mentioned and I will ensure that it would be followed through by the districts.

For online voting system, I did a bit of research on LCI International Convention's voting system which was very user friendly. The system is named Simply Voting. In order to use the system, we need to pay fee according to how many voters would be casting the votes. Approximately 100 votes would cost USD100.

I will search further on other voting systems that may have less expensive fee and will report back at next Council Meeting.

Respectfully submitted by
Lion Grace Hwo, PDG
