

Northwest Lions Leadership Institute

Report for the Council of Governors

Submitted by PDG Jan Weatherly, Institute Superintendent

October 16, 2021

Your Northwest Lions Leadership Institute (NWLLI) is scheduled for May 5-8, 2022, at beautiful Harrison Hot Springs, British Columbia. This is the second half of the originally scheduled Institute in the same location that was cancelled for our Canadian students due Covid restrictions. The US students attended their Institute in Post Falls, Idaho last June.

We need your hands of influence to reach out to those Lions you know have leadership qualities. The NWLLI experience will inspire them to step forward at the club, zone or district level to fill those critical leadership positions in each district.

This Institute is targeted to our Canadian Lions who could not participate in Post Falls. US students are most welcome to enroll also. Application deadline Feb 1, 2022.

Institute Cost: \$350 with a \$200 MD19 Foundation grant to apply to tuition

This covers 3 nights lodging, 4 meals, parking, materials and priceless leadership experiences

Visit: www.NWLLI.org for the application, course details, faculty and full visual experience of beautiful Harrison Hot Springs.
