

PDG Peggy Harriman  
MD 19 GSTC

Since my term as district governor, I have been participating in the Canadian Conversation because District E is an international district. The group was established to focus on issues affecting Constitutional Area II, our Lion neighbors to the north. As such, the group has developed a Canadian Lions webpage, newsletter, etc. At a recent meeting, I was made aware that MD 19 does not have a contact person from any of the international districts within MD19, that would include A, D, E, H, and I, to distribute e-literature to their international clubs. Therefore, I am asking all of the International district governors to please find a volunteer that is willing to accept e-literature from the powers that be and then email it back out to the club secretaries and presidents in their districts. Names of volunteers can be forwarded to myself at [pah4610@gmail.com](mailto:pah4610@gmail.com).
