Candidate for 3VP Lions Clubs International

- PID Mark Lyon has been endorsed by Multiple District 23 as a Candidate for 3 VP of Lions Clubs International. PID Mark has also been endorsed by the International Board. I served with PID Mark for two years and suggest that MD19 Endorse his Candidacy.

Guest Speakers for District Conferences

- At this time, I believe that all Districts have secured a Guest Speaker for their Conference. If you have not, please get back to me ASAP.

International Awards

- **International President Brian Sheehan** has circulated the criteria for the International Leadership and International Presidential Awards. Nominations for these awards need to be received in the MD19 Office no later than October 31st for consideration this year. Please do not suggest awards to those Lions who have already received that award and they will be disqualified. Make sure that you do nominate deserving Lions.
