

GOVERNANCE COMMITTEE REPORT
FOR THE COUNCIL OF GOVERNORS
OCTOBER 2020

We are pleased to inform the council that, as of this time, we have no recommendation for either the By-Laws or the Policy Manual, to be presented to the membership of the multiple district or the council.

We will have two housekeeping items for the membership to vote on in 2021 and one By-Law recommendation that will allow the governance committee to make housekeeping corrections and/or additions to the By-Law or Policy Manual just as long as those corrections and/or additions do not change the intent of said item.

Respectfully submitted

Charles V. Waid, PDG, Chairman
