

LCIF

This report pertains to the U.S. clubs in Districts D-E-F, however have included mailing address for all MD 19 clubs. With 5 months remaining in our fiscal year donations are basically even with same time last year. To date we have \$20,656 in donations which is \$224 behind last year. I know that clubs in district E can make up that difference. Here are a couple of ideas.

- Have a dedicated fundraiser with all proceeds going towards LCIF. This might be a yard sale when the weather gets better, select an item and sell raffle tickets, sell flags to local businesses and install 8 times a year.
- Members donate \$20.00, \$50.00, \$100.00 or more in support of our major foundation. Remember 100 % of all donations to LCIF go back to the community as a grant.
- Secure a donation from local businesses. Check can be made out to your club, deposited into your bank account and your treasurer donates to LCIF. I will help any club interested with material for presentation.

Remember the natural disasters in Australia, Puerto Rico and the Philippines. Our donations can help these countries.

Checks should be mailed to the following address for **US** clubs.

LCIF, Department 4547, Carol Stream, Il. 60122-4547.

Canadian clubs, LCIF, C/O Stan Durward, Box 38, Sunderland Ontario
L0C 1H0

Thank you
