

LIONS PROJECT NEW HOPE NW

Report by: Pat Bucknell, President

10/18/18

For the year 2018 we have projected 200% in growth.

Number of adults, children, and volunteers attending retreats since 2010:

YEARS	ADULTS		CHILDREN	VOLUNTEERS	RETREATS/Workshops/Events
2010-2017	274		286	270	24
2018 to date	372		249	35	3

500 families from all branches of service have been served.

50 families attended a Military First Responder Retreat.

96% of our families sign up for weekly mentor programming through our community--an important part.

100% of our Retreats have been filled.

71 Military spouses have participated in our weekly programs.

Winter months: Men & Women Veterans and caregivers will be hosted for one day workshops.

Our participation with PTSD Foundation of America and Association of United States Army has provided outreach opportunities to over 7,000 active duty soldiers. LIONS PROJECT NEW HOPE NW received national recognition from the PTSD Foundation of America.

We greatly appreciate the support the Lions Clubs of District 19 have given us over the years. Your continued support through donations is crucial to the success of our mission.
