

## CARE Report June 2021

We have almost completed our first year of raising monies for our Haiti Project. As you know with our CARE projects, we raise money the year before we start the project. This way they have money to start the project. Funds are low this year and we have just a matter of weeks to push our clubs to send in their donations.

We are rounding up our Honduras Project, which because of Covid 19 we had to change the plan a bit and divert some of the funds to help buy food for those in the Dry Corridor.

PCC JD Nellor posted a video for me on our website of some of the food deliveries. I hope if you haven't seen it you will watch it and suggest this to your clubs.

Respectfully Submitted  
CARE Chairperson  
Patti Easterling
