

LEO Report

Report by: PDG Lyndon Harriman, Chairperson

Date Report Sent: 05/26/2021

Covid 19 has restricted my interaction with most of the MD's Leo clubs to the virtual realm. I sent numerous email messages to advisors and DGs regarding upcoming events. On March 25th, I virtually attended a Leo townhall presentation where the speakers were 2nd VP Brian Sheehan and 3rd VP Dr. Patti Hill.

On April 22nd, the MD hosted a discussion on local Leo activities. Ojas Chitnis, the Leo representative to the Board of Directors, representing CA 1, was also in attendance. Many interesting topics were discussed. Sadly, this discussion/ presentation was poorly attended.

On May 22, officer training was offered virtually and Leos throughout our district were invited to attend. The Leo Advisory Panel for Constitutional area 1 held its virtual meeting on the same day. Ojas led the meeting for the Leos, also presenting were Lion Robert Wilby, Leo Analaura Gregorio, PCC Pam Graney and 32 additional panelists. Second VP Brain also spoke about the future of Leos. Some of the important information they presented were the following facts; 200 new Leo clubs were added worldwide, the Country of Somalia added its first Leo Club, and Leo's increased by 18% worldwide. Sadly CA 1 is down 36 Leo Clubs for the year; a sobering statistic. On a lighter note, at the end of the panel, Ojas hosted an online quiz which yours truly won, continuing to uphold MD-19's reputation for excellence.

Thank you all for allowing me to serve the MD.
