

MD19 Youth Exchange Foundation

Report by: PDG George Robison, Chairperson

Date Report Sent: April 17, 2020

Although four scholarships were awarded for summer 2020, none will be used since all youth exchange activity has been cancelled due to the coronavirus. At this time every youth exchange activity worldwide is on a wait and see basis. It is not known when activity will resume.

As indicated in past reports, fundraising is meager because less than a handful of clubs contribute and no contributions are received from any District or MD19.
