Hello!

See what's in store
for you as a Lion.

What is a Lion?

Lions work to improve health and well-being, strengthen our communities, and support those in need.

You have options.

There are so many ways to serve as a Lion, and we have different club types for you to choose from so you can serve the way that's best for you. Whether you are looking to serve as an individual, a couple, a family or as a group of friends, you'll find the club just for you.

Our club types

Traditional – The most common type of Lions club

Specialty – Centered around a hobby, interest or career

Campus – Designed for students

Virtual – Offers flexibility with online meetings

Being a Lion has its benefits.

Service is just one part of the joy you'll feel as a Lion. Here's a taste of what you can expect.

- ▶ Fellowship – You'll meet some amazing people and build relationships that can last a lifetime.
- ▶ Fulfillment – Doing good feels good, and there's no shortage of both as a Lion.
- ▶ Fun – Service is not only satisfying, it's a lot of fun!
- ▶ Growth – You'll grow as a person and a professional and learn new skills.

Create a club you'll love.

While many clubs' service focuses on our eight global causes, your club's experience is what you make it, and you have the freedom to serve any cause or local need that matters most to you.

There are so many reasons to start a new Lions club. You can tailor your experience by:

- ▶ Choosing the type of club you want to be.
- ▶ Deciding how you want to serve.
- ▶ Creating the Lion experience that's right for you.
