## Lions Protect the Environment by Cleaning Beaches

By Nancy Messmer, MD19 Environment Chairperson

Lions participate in many clean-up efforts. They organize big, multi-partner events like the annual Washington Coast Cleanups in April and September. They also organize local clean-

ups. For the Earth Day Beach Cleanups in 2015, over 1,500 volunteers came to Washington Beaches and picked up more than 17 tons of debris. Among them, were Lions from nine clubs, including Hoquiam, Clearwater-Kalaloch, Forks, Gabriola Island, Lynden, Bellingham Harborview, Sequim, Port Angeles and Clallam Bay Sekiu, who drove to Rialto Beach on the northwest Washington coast.

Off Vancouver Island, in British Columbia, the Gabriola Island Lions massed heavy equipment and many volunteers to clean their home beaches, burn much of the gathered debris, and truck tons of accumulated old boats and marine debris

on the ferry to Nanaimo. They filmed the whole event, using a drone for overhead views. From this, they produced a short and engaging video about the event, which was posted to YouTube by Bill Kalbfleisch: [www.youtube.com/watch?v=-SRxVd6mV00&feature=youtu.be](http://www.youtube.com/watch?v=-SRxVd6mV00&feature=youtu.be).

## Swan Song

By PDG Steve Somerset, GLT

As I sit here preparing this, my final Leadership article, I am having mixed emotions about coming to the end of eight years working in the Leadership arena of Multiple District 19. It all started with Past District Governors (PDG's), now Past Council Chairpersons (PCC's), Hal Palmer and Mike Gayda, encouraging me to apply for a position on the MD19 Leadership team. At that time I was a Past Zone Chairperson (PZC) and I thought long and hard about whether I was ready for the Training position. Needless to say with the mentoring and guidance of these two Lions, I was able to fulfill the objectives and goals of the team.

On the District level, one cannot hold another position, so I took a sabbatical and after that term expired and the District had no positions available, I returned to the Multiple District Leadership Team, this time at the encouragement of PCC Allan Hunt. Now is the time to pass the "baton" to PDG Bob Ayotte who also has a passion for Leadership and Training. Lion Bob was encouraged to apply along with others and was successful in the process.

As with Club Officer training, it is necessary to have a smooth transition between Leadership Chairpersons and this has been in process for the past several months. With Club Officers, the duties and responsibilities are continually changing and the position of Multiple District Global Leadership Team Leader is no different.

Training techniques are changing from lectures, PowerPoint slides that are read to a more facilitated, discussion-based approach. The use of GoToMeeting

## MD19 Council Chairperson

**Gary Reidel**

### Proud to Be a Lion

As I write this final article of my year as Council Chair, it is bittersweet. I find it hard to believe that this Lions' year is almost over! What a great year it has been filled with irreplaceable experiences. The "year" as your Council Chair actually started when the 1st Vice District Governors and I got together a couple of years ago for the first time as a group. We began the journey of learning about each other and developing a synergy that would take us through our year as a Team.

I have been extremely happy with the way the personalities from nine districts have been able to combine their talents into a group of Governors who have served not only their districts, but also have served our Multiple District. As we served together, we developed a special bond that will last for the rest of our lives. Thank you, Governors, for your dedication to the Lions of our Multiple District.

Special mention needs to be given to the MD19 District Support Team, led by VCC Al Beddows, for the leadership they have provided to each of the District Club Support Teams. Dedication to their duties has definitely paid out positive dividends for our district and zone officers. As a Multiple District, we are now providing better-trained zone and district officers to lead our Lions.

When we talk about "making a difference", we need to include the various Committee Chairs and their committee members who have helped to make our Clubs more visible in our communities, and more focused in their specific programs. Thank you to all who have given their best for MD19 this year. You and your efforts are appreciated.

I would be remiss if I did not express my thanks to our Multiple District 19 office staff. Patty, Michele and Theresa have been a delight to work for and to work with. They are the backbone of this multiple district with the knowledge that they share freely. Thank You.

Lion Linda has been right by my side during this adventure, and she was always available to preview my attempts at humor. So, if you didn't like any of my jokes, blame it on her. She said it was OK. Thank you for being there for me, Babe.

Special thanks are due for all of the members of our Lions family.

Lions, Lioness, Leos, you are very special to those in your community that you help. Your Community appreciates all that you do. You, too, should appreciate all that you do.

Always ...

"BE PROUD TO BE A LION"

## Why Should Lions Visit One Another?

By Lonnie Morgan, Governor,  
District 19-F

I have been a Lion for 16 years. My home club, West Valley Lions, prides itself on making visits. They even asked me for a visitation schedule so they could schedule theirs. Everyone, from "Regular" Lions to our International President, goes visiting to learn new and better ways to serve their communities.

My District, 19-F, stretches from the Cascades to Montana. What knits it together as a district? To a great extent it is the shared memories and lives of the people who live there. I have such memories from three of its zones, but knew little about most of the 48 Lions clubs in this vast area.

Why should we visit? To share OUR lives. We all share the problems of our society. To solve them, it is crucial to find and share the best ways to solve these problems. As Lions, we have a network of clubs to help us do this. Just one club away you may find a best friend, a young person to mentor or an older person to mentor you. I don't know if it was the memory trail of my childhood that made me understand this, or if it was just running into fun, funny and loud clubs. But I was a happy Governor when exploring the unknown portions of my district and found surprises, fun, and new stuff.

Why should we visit? Because Lions in our big, sprawling district and multiple district need to grow together and support each other. Here's a small example.

When Vice District Governor, I and mine were on our way to a family get together in Moscow, Idaho. I decided to detour through Kahlotus, where there was a declining Lions club. We arrived after dark and needed a restroom. Only one light was on in the whole town: City Hall. There we found a young lady behind her desk who looked to be a clerk working late. She offered the City Hall's restroom and pointed out the Lions Hall down the street. Then pushed back from her desk to reveal her wheelchair and introduce herself. While my passengers used the restroom, I visited with the MAYOR of Kahlotus, asking her if she were a member of the Lions Club. She was not, because they did not have a ramp into their hall. I offered to build a ramp and she promised that she would then become a Lion. In due course, I got an enthusiastic letter from the Mayor of Kahlotus. The ramp was in and so was she. That is why you visit!

Governor Lonnie joined the Yakima West Valley Lions Club in 2000 and has served in all its major offices. Even before he became a Zone Chairperson, he served as the District Leadership Chairperson. He has received numerous awards and is a Melvin Jones Fellow.

He is very active in his church and works with the homeless. He and his wife, Lynn have two children and they vie with one another in the garden.

Dear CC Gary:

**Re: Multiple District '19' Support**

Please extend to the Council of Multiple District 19 my appreciation for their support and endorsement. Your vote of confidence means a lot to me as I move forward in service to our International Association. My intention is to attend the nominations committee meeting in Honolulu and withdraw my name from the 2015 ballot in support of the Board's endorsed candidate, PID Naresh Aggarwal. My certification as a candidate is valid for two years, and I hope to move forward with the campaign in 2016, pending the support of the Executive Officers and the International Board of Directors.

I hope that both Lion Greg and I will be able to visit with your Lions Club members at a suitable event in 2016.

Yours in Service,

Patti Hill  
 Past International Director

## Contests & Awards

By PZC Debbie Bostock  
 MD19 Contest & Awards Chair

All of the District Conferences have been held and I wish to thank Contests and Awards Chairpersons for sending me their info sheets on Winners and Runners-up. This information is needed so I can contact the winners to make sure they are coming this October to the Fall Annual Convention in Pasco. If they are not able to attend, I will contact the runners up to encourage them to represent their district by participating. It is very important that the reports are sent to me and MD19. Thanks again for doing so.

From the reports I have received, the participation has been great. It is very rewarding to see clubs getting involved and putting something together for the Contests and Awards competition. So much fun and fellowship can be enjoyed doing the various contests. The websites, business cards and brochures become

great PR tools for the clubs. The bulletins are wonderful sources of information for those members that may not be able to attend a meeting or project. Club scrapbooks become a really good source of history and are good display items at open houses, charter anniversaries, and special occasions.

If your club did not participate this year, put on your thinking caps and get involved next year at your District's 2016 conference.

I look forward to seeing the entries at the Convention in Pasco, WA, October 15-17, 2015.

**TRYING SOMETHING NEW:** "The Contests and Awards" competitions at the MD19 Fall Annual Convention in Pasco, WA will be held as always on Friday, October 16, except for the Uniform Parade competition which is on Saturday, usually in the morning. The competitions held on Friday will be in the late afternoon around 4:00 pm **BEFORE DINNER**, instead of after dinner. Please make note of this change when you are making your plans to attend the MD19 Convention October 15 - 17, 2015! See you there!"

## Lioness News March/April, 2015

by Dinah Batke, MDLL

Spring has been busy for many of our Lioness groups. They have accomplished much in the area of fund-raising and making donations, attending conferences and having a bit of fun.

### **Kelowna: D-7**

Donations: \$2,915

This group spent 411 hours volunteering at the Gospel Mission, Kelowna General Hospital, Cottonwoods, Blood Donor Clinic, Bantam Hockey, Okanagan Symphony, Three Links, Freedom's Door, SPCA, Rotary Center of the Arts, Friends of the Library, Safety Village, D.L. Jones, Sunpointe, Boys and Girls Club, and the Blood and Diabetes Society.

Donations were made to Society for Learning in Retirement, Gospel Mission, NOW Canada, Partners in Parkinson, MD19 CARE and Project Literacy.

They had a lot of social outings attending the Pickarel Dinner and social luncheons, the Opening of Westbank Lions Hall, Strides to End Homelessness, an SPCA luncheon and a Zone D-7 meeting in Westbank.

### **Moses Lake: D-5**

Donations: \$2,302

In April, the Moses Lake Lioness held their Spring Spaceburger Sale. As usual, business was brisk and they netted \$8,755.

ATTENTION! Here is a little known secret from the country of the Spaceburgers. At the left we see the high craft of Spaceburgerie in action. Those aren't sandwiches you see, but baby Spaceburgers exerting their nascent power of levitation to travel to the burgerbays where they will

be transformed into shapely saucers of tasty wonder and delight. Every developing Spaceburger must successfully perform this right of passage before being sent forth into the world.

These Lioness were present in force at the Spring Conference, where they won first place for their website, first for their business card and runner up for uniforms. Judy Thompson was awarded Lioness of the Year. Melvin Jones Fellowships were given to Judy Thompson and Marcella Richards.

They made donations to Spring Festival Three-on-Three Event, Girl Scout Troup-To-Troup Cookies, Central Basin Community Concert Association, Relay for Life and Grant County Fair Arts and Crafts Build-

ing. As seen above, they provided college scholarships to 11 students.

Their volunteer hours (201) were spent with the K0 Special Project Fund, Grant County Head Start, Lakeview Terrace Elementary School, Boys and Girls Club, Parent Teachers Organization, Food Bank, Hospice, the Fair Advisory Committee, the Spring Fair and Cle Elum Forest Service.

### **Nanaimo-Harbor Lites: I-7**

These ladies are sponsors of the Ladysmith Community Gardens Society's 2015 Spring Edible Gardening Series.

### **Oliver: D-9**

Donations: \$500

This group attended the Spring Conference in Moses Lake and placed second for their scrapbook. They had a great time reconnecting with old friends. They volunteered 269 hours doing an MS Fundraiser and helping with registration at the Mammography Van. They made donations to MS Society, Pediatric unit at the hospital and Camp Winfield.

### **Parksville: I-7**

Donations: \$500

The Parksville Lioness traveled 740 km. in order to contribute 60 hours of volunteer work. Donations were made to ALS and they volunteered at a celebration of life and attended a Nanoose Bay meeting.

### **Port McNeill: E-11**

The Port McNeill Lioness welcomed six new members who were inducted on April 14th by District Governor Kim Di Rienz.

They had a successful community garage sale on April 12th—thanks to a surprise truckload of items for the Lioness table. The Lioness catering ladies served at two Emergency Preparedness Meetings, the Seedy Sunday Concession and an Alcohol Syndrome meeting. Money raised is contributed for upgrades to the Shawinigan Lake Camp.

### **Priest River: E-11**

Donations: \$790

This group lost two of their number recently, Charter Member Jan Perrins on March 10, 2015 (see the April *Border Crossing*), and Roxanna Airola on April 14, 2015 (photo at the beginning of this section). They held a memorial service for Jan on April 15, 2015, which was also her birthday.

This club divided into two teams to have a New Member Contest to see who could bring in the most members. This was a success as SIX new members joined. The losing team had to buy lunch for the winning team. The new recruits, seen below, are Mary

Boudreau, Mary Davis, Betty Gardner, Doris Martin, Janice Mullaley and Kelly Niesley. Welcome, Ladies, to Lioness!

Donations went to the Distinguished Young Women

Program and the Karla Hatfield Scholarship, which is donated by Bob Hatfield in memory of Lioness Karla who passed away November 14, 2014. They cooked and worked at the Senior Center Soup Kitchen and organized raffle sales for a total of 217 volunteer hours in April.

**Sooke District: I-2** Donations: \$6,104

Sooke Lioness volunteered 513 hours in March and April, and logged 1156 km. They held their annual Yard Sale to support their Lioness for Literacy program and delivered their annual donation for books and supplies to Ed West Alternative School. They helped out at the Sooke Food Bank, Spring Conference and Sooke Ball Park concession stand. They also made center pieces for a banquet. They attended District Governor Georgia Medwedrich's visitation to the Sooke Lions.

They made donations to Ed West Alternative School, Sooke Food Bank, Sooke Crisis Center, Sooke Youth Players, Santa's Anonymous of Victoria & Sooke, and to help upgrade and provide camperships to Camp Shawnigan.

**South Cariboo: D-10**

These ladies are active supporters of the Bright Red Bookshelf Book Drive.

**Vancouver Chinatown: A-1**

**Victoria Chinatown: I-2** Donations: \$845

In February, these ladies helped sponsor and serve at the second annual Chinese New Year Lunch at Our

Place, as seen in the photo at the left. At the beginning of May, they raised \$845 for the Victoria Hospice in their Hike for Hospice event.

**Westbank Lioness: D7** Donations: \$9,500

They spent 324 volunteer hours helping out at the Salvation Army, at Lions Manor, at the Thrift Shop, decorating Easter eggs, collecting Eye Glasses, knitting toques for the food bank, helping at the Lions Pickerel Dinner, and the I H Volunteer Tea. Here we see Lioness Jenny, Vera and Milena helping to spiff up Camp Winfield.

**Williams Lake: D-10** Donations: \$3,200

The Williams Lake Lioness logged 165 volunteer hours serving lunches, at the Red Cross Equipment Center, cleaning their Adopt-A-Block block, bundling daffodils for the Cancer Society, making and serving lunch and other activities at their annual Clean Sweep and Craft Sale, and making and serving breakfast at the Seniors Activity Center. They attended a Zone Meeting and visited the South Cariboo Lioness Club.

Donations were given for camperships at Camp Winfield and Camp Kakhamela, and to support the Diabetes Society, Meals on Wheels, Palliative Care, the Pregnancy Outreach Society and the Sunshine Cancer Fund.

### Spice Up Those Lions Conventions

Jan Weatherly, 1st Vice District Governor 19-C

Put 100 Lions leaders in a conference room and ask: What creative new ideas will breathe life into our district and multiple district conventions to make them events you don't want to miss?

Your incoming District Governors, Zone Chairpersons and MD19 training faculty quickly thought of these ideas which you might try at your next district conference!

1. Plan an excursion offsite from the convention hotel.
2. Include LEO's in planning and involve them in the conference agenda.
3. Invite non Lions to hear and participate in keynote sessions.
4. Engage the attendees to participate in a brief conference service project.
5. Organize a pre-meeting croquet tournament at the conference center.
6. Offer a movie session of latest LCI videos, serving popcorn and beer.
7. Embody the youth + service + entertainment = success formula.
8. On Fun Night, play the Price is Right game with dynamite prizes.
9. Invite proven non-Lions seminar or keynote speakers.
10. Shake it up and hold your convention in the fall.
11. Host a prize-winning scavenger hunt for new Lions to find information from exhibitors and seasoned Lions.
12. Provide a wine tasting and/or cooking event.
13. Offer a forum to discuss ways to attract young members.

Now that your creative juices are flowing, I bet you have ideas you want to suggest. Send them to 1st VDG elect, Wanda Carisse, at [LionWandaC@gmail.com](mailto:LionWandaC@gmail.com) for suggestions for the fall MD19 Annual Convention. We want to hear from you!

### May 8th - Parksville Lions Day

Thirty years ago the BC Parksville Lions partnered with their city and adopted the park playground that is now known as Ventureland. Over the years, the Lions have spent about \$650,000 upgrading and maintaining the playground. Improvements have included a water spray section, a skateboard park, an outdoor fitness gym, and a wheelchair-accessible swing.

Ventureland is only one of the projects supported by the Parksville Lions. They also operate Hustwick Place, which provides 33 housing units for the elderly. They also have a lot of fun. For example, they also host an international kite festival.

So it comes as no surprise that Parksville made May 8th Parksville Lions Day and celebrated it at - where else - The Ventureland Playground.

**Mayor Marc Lefebvre watches as Business Association President, Sandy Herle, presents a check for \$300 to Gail Vulliamy, president of the Parksville Lions, while James Barrand, Lion Liaison to the city, applauds.**

## Make Your Voice Heard – October 17, 2015

A vote will be taken at the MD19 Fall Annual Convention in Pasco, WA October 17, 2015 to decide when the MD19 Conventions will be held and how many will be held.

### We have three choices:

1. **Return to the convention schedule prior to the 5-year trial period with:**
  - a. **An MD19 Fall Forum in October**
    - i. ZC Rap Session held at Fall Forum with financial assistance; two 90-minute sessions.
    - ii. Present MD19 Excellence Recognition Awards
  - b. **An MD19 Annual Convention in May**
    - i. Two day (All day Friday and Saturday) ZC Training held at Convention with financial assistance
    - ii. DGE/VDGE Training held separately prior to MD19 Annual Convention
    - iii. Council Meeting and Elections held for MD19 Officers
2. **Hold one MD19 Convention in May each Lions Year.**
  - a. Two day (All day Friday and Saturday) ZC Training held at Convention with financial assistance
  - b. DGE/VDGE Training held apart from Zone Chairpersons and convention prior to MD19 Annual Convention with financial assistance
  - c. Council Meeting and Elections held for MD19 Officers
  - d. **Timing of Zone Chairperson Rap Session, which appears to be an important session, would be in question.**
3. **Continue to hold one MD19 Convention in October each Lions Year**
  - a. ZC Rap Sessions (2) held at this convention with financial assistance
  - b. Present the MD19 Excellence Recognition Awards
  - c. DG/VDG/ZC Training held together during the last week in May as we do now with financial assistance. District Leadership Teams benefit from this format.
  - d. Council Meeting and Elections held for MD19 Officers.
  - e. No conflict with District Spring Conferences.

**District Governors**, consider inviting your Council Chairperson to your first Cabinet Meeting to discuss this issue with you. If we continue holding the MD19 Annual Convention in October, discussions are underway to arrange for ballots to be cast by the delegates at district spring conferences for MD19 Council Chairperson and Vice Council Chairperson. This is already done in some multiple districts.

the Island Cleanup by his home in May, as well as making the long trek to Rialto Beach for the Earth Day Cleanup in Washington State.

Thinking globally, Lions who organize beach cleanups in Washington also are doing so around the whole Pacific Basin. The scale of this effort caught the attention of Lions Clubs International video magazine, the *Quarterly*. They came to Washington State in April to film participants in the Washington Coastal Cleanup, including Lion volunteers at Rialto Beach in the Olympic National Park.

Because the video crew was in Washington, they decided to include MD19 Lions in videos they are producing for the International Convention in Hawaii. As part of

this effort, Port Angeles, Sequim, and Clallam Bay Sekiu Lions, led by Council Chair, Gary Reidel, sang Lion President Joe Preston's song, "Strengthen the Pride" for a movie that will be part

of the farewell ceremony this July. The *Quarterly* and Convention videos will be posted on the LCI website for all Lions to enjoy.

**THE BEST KEPT SECRET IN TOWN**

We have all heard this lament about our Lions Clubs, and the good that they do in our communities. The MD19 Public Relations Committee is doing its best to reverse that statement.

The MD19 PR Committee had a dream about 5 years ago, to get these signboards to every Lions Club. Finally, the dream has come to fruition, with a \$20,000 grant from Lions Clubs International. While the A frame signs may not seem like much, when they are set up and show who we are and what we are doing, they appear larger than life.

As Lions clubs display these signs, they are telling their community just who they are and are calling attention to what they are doing to make their community a better place to live.

Use these signs frequently, and you will notice an awareness from those we are serving. More awareness means that there will be more people who will know who we are and what we are all about. They might even join us in our efforts!

It all started with the dream of one person – the Power of One. It was brought to reality by the Team! Do you have a dream? Let us help you make it happen. Here are some ideas of what can be displayed.

**Leadership continued from page 1**

webinars is another recent innovation that allows for Lions to attend an informative training session without leaving the comforts of one's home and incurring all sorts of additional costs. In fact, in March, I attended a Lions Clubs International Institute (Faculty Development Excellence Series) that was done via a webinar that was fully interactive. There were 25 English participants from around the world that were invited to participate.

So as I reflect, three key points come to mind.

1. Mentoring . . . without having someone who sees the potential in a Lion, perhaps they will not step up.
2. Believing in yourself so that you take the risk to move forward and take on greater responsibilities. There will be help; no one wants to see you fail.
3. Working on Succession Planning. Have a suitable individual ready to take over the position and provide the required training. Also be there for that new person as they transition and step into your old role. We are now back to #1 Mentoring.

Finally, thank you to all the Lions in Multiple District 19 who have provided support and encouragement, and had faith in my abilities. I wish you all well in your personal and Lion endeavours. You can and do make a difference. Our paths will continue to cross in the future.

**Questions Only a Lion Can Answer**

By Jon Pudlitzke, President Elect, Columbia Crest Lions

We recently wrapped up a joint venture with a Camas Senior High School Student, my son Joshua Pudlitzke. His Senior Project involved working with a mentor, Columbia Crest Lion Lyle Williams, on Eye Glass recycling and Collection. The final part of his six-month project was to interview some Lions. Here is a partial list of the questions he asked. The list is well thought out. It really made me think of why I am a Lion.

1. Why did you decide to get involved with a Lions Club?
2. What training did you do to acquire your position?
3. What challenges have you had to overcome throughout your work in the Lions?
4. How has Lions evolved over the years; what is new and different?
5. How do you see your Lions Club changing in the years to come?
6. What should someone avoid doing if he or she is trying to get involved in your Lions Club?
7. If you weren't involved in a group like Lions what else would you be involved in?
8. What strengths do you have that make you a good and/or active member in Lions?
9. What is the best advice to someone wanting to get involved with a group like Lions?

## Growing the MD19 Memorial Garden

By Patty Allen, MD19 Executive Secretary-Treasurer

On our "Shoestring Budget", we could not maintain the MD19 Office without the many volunteers who spruce up the property and Memorial Gardens during the spring and summer.

Here are pictures of Bellingham-Central's PP Bill Bliss mowing the MD19 lawn, DGE Don Wight and the Comcast crew fixing our flagpoles, and PZC Rock White and PZC Dennis Bullock, Chairperson of the MD19 Memorial Gardens Committee, installing a new bench in the Memorial Rose Gardens. The bench will be dedicated on August 15th along with all of the Memorial plants given this Lions Year 2014-2015.

Some volunteers who have avoided our camera include ZCE Bob Johnson who travels from Fife about once a month to weed and trim; Bellingham-Central Lions Mark Boucher, who built a trellis for our Clematis bush and constructed a pole for our birdhouse; and Dale Coranda and Ron Evans who

keep our light fixtures in good repair.

## Lions On Parade in Victoria

By ZCE Mari Hall, I-3

When I was voted in as ZC for I-3 I wanted to start my term having fun by getting all of I-3 represented in the May 18th Victoria Day Parade. Sidney Stan Yaxley, my co-chairperson, provided a truck for our banners and flags. Stan and his wife, Victoria, also persuaded Doug Ridell at Vancouver Island Medical Supply to provide nine power scooters, one for each club and the incoming zone chairperson. Below are some pictures of us making a big Lion Splash in the grand parade (L-R):

Victoria Chinatown Lioness, the I-3 crew, organizers Stan & Mari with Doug Ridell, and the Duncan Lions A-Frame with Lion Jim in tow.

## Mayne Island Lions and the "222 DRAW"

By James Allan Evans, Secretary, Mayne Island Lions Club

The origin of the "222 DRAW" fundraiser is lost in time, but oral tradition says it came from a Saskatchewan\* Lions club and became a feature of the Mayne Island Lions labor Day Salmon Barbecue. Every year, 222 raffle tickets are sold at \$20 each, raising \$4,440. A white board is set up at the BBQ with all 222 names of the ticket holders, so everyone knows who bought tickets to support the Lions. As the crowd munches BBQ, tickets for twelve prizes are drawn. The lowest is only twenty-five dollars, but as the day wears on, the prizes increase in value, reaching \$800; \$1,600 in prizes, leaving \$2,840, to go directly to a worthy cause.

Two years ago, these funds went to improve the playground at the Mayne Island School. Last year's proceeds are helping to build a surfaced bicycle path from the ferry landing to the town center. This year the worthy cause will be the island's old, one-room school house that was replaced by the present Mayne Island School a generation ago. The Mayne Island Volunteer Firemen's Association has saved it and is restoring it for use as its club house and a meeting place for various community events that the Firemen's Association will provide without charge to non-profit groups.

The "Old Schoolhouse", a small rectangular wooden building held together by hand-forged nails, was constructed in 1894 for \$624. It replaced a smaller structure built ten years earlier, which housed Mayne Island's first educational institution. It was too small right from the beginning and was soon replaced by the "Old Schoolhouse" that was in use until 1950, when it was replaced by the nucleus of our present school. The Old Schoolhouse was taken over by the fire department, who moved it in 1966 to stand in its present location near the current fire hall.

After fire destroyed the social center called "Neighborhood House", the teenage group that met there was given the Old Schoolhouse. Now the fire hall is being remodeled and the Old Schoolhouse must be moved to a new location. It is being remodeled to make it more useful to the community. This year's 222 funds will go towards this project.

The concept of the 222 DRAW is an excellent budgeting vehicle. It produces the same amount of money each year and can be allocated to projects in the planning stages that will only require funding in two or three years time. This is very useful to community planners and also very useful to the Mayne Island Lions Club, since it attracts sustained, continual interest in club activities.

\*Editor's note: Lions Wilderness Experience, a Lions MD5 special needs camp in northern Saskatchewan, is located at Km 222 on Highway 106. It is possible that 222s are an old fundraising concept first developed to support this program.

Remember back in the day when lots of us wore those big "ASK ME ABOUT LIONS CLUB" pins like the one pictured here? They were great conversation starters and they could be again. Your club can design its own and have it made very inexpensively. All your members can have one, and even your new A-Frame can wear one in its lapel whenever it goes stepping out.
