

APPLICATION FOR RECOGNITION OF CLUB SECRETARY EXCELLENCE

Surprise!

There is no Secretary Excellence Application. That is because Club Secretary excellence is based on a point system that is tracked by the MD19 office from information that is sent to it (or that is supposed to be sent to it) by club secretaries each month.

So, why is this here, why is there a link to a Club Secretary Excellence application on this website?

Well... it is because the MD office, Council Chairs, District Governors and Zone Chairs get flooded with inquiries about where the Secretary Excellence Application can be gotten, or they get cross-examined about why the Secretary Excellence application is not posted on the MD19 website, every year, year in and year out. Since this is the natural place where one might look to find a Club Secretary Excellence Application, we thought we would facilitate your search.

So now you know:

THERE IS NO CLUB SECRETARY EXCELLENCE APPLICATION!
